

XINGXIN HU

My artworks draw from personal archives—real experiences or second-hand. I depict subjects that often feature the female body and everyday objects, imbued with a sense of intimacy or monumentality. Through this, I explore my feminine identity—its forms, innate essence, and the inevitable traces of societal shaping, as well as the negotiation between female self-perception and social expectations, tracing the desire, alienation, and unease that linger in between.

Born in 1988 in Hunan, China
Currently Living and working in London

2022-2023 MA Fine Art: Painting, Camberwell College of Arts, UAL
2005-2009 Bachelor of Law (LLB) Communication University of China
